- "This is the ultimate **earworm**; I would like to challenge anyone and everyone to take a quick look and listen - hooked! Melina is such a beautiful and talented artist whom I've had the pleasure of playing with ... as Tina Turner would say "You're Simply the Best" - Sherrod Barnes (lead guitarist for the 'Tia Turner musical', producer, songwriter)
- "Melina wrote an ear worm that anyone from 3-93 can listen to once and sing back right away and sing it again after not hearing it for 3 weeks. This is 'the' new **Oktoberfest hymn** for 2024 and beyond" - Michael Castaldo (songwriter, artist, producer)
- "Great job! The song really **feels like a huge 'live' party**" - Steve Addabbo (owner Shelter Island Studios NYC)

BIO – about the artists MELINA and her Oktoberfest band ‘MELINA & the Oompahs’:

MELINA is a multilingual (English, German, some French) singer-songwriter, entertainer, voiceover artist, actress, based in **New York City**, where she resides. Born to a Canadian mother and German/Norwegian father in Toronto, Canada. Raised in Hamburg/Germany from 3-15½ years old when she and her family moved to the New York City area. In high school she immediately found a rock/pop/soul band that she joined in which she became the lead singer. She went on to study voice, music, performing and visual arts and communications/business add both ‘Berklee College of Music’ and the ‘University of Connecticut’ (UCONN). She writes and performs original compositions with her own soul, pop with a rocky edge style band, or with her Oktoberfest polka band during the fall. A true performer, her ‘home’ is on stage, no matter what role she takes on.

EXPERIENCE: MELINA is a multi-platinum recording artist and voiceover talent, has sung on albums and soundtracks and toured for major artist throughout the USA and Europe (Germany, France, UK, Italy). She is the singing- and/or speaking voice to many high-end and well-known household brands and narrations throughout the world (you can *find samples* on [her website’s home page](#)). Melina sings various genres of music, including pop, soul, blues, jazz, classical and more - with either a smooth/smoky, to medium or strong belting vocal style. Being chameleon-like and adjusting to all kinds of styles of music, this has helped her perform for many jingles, albums and soundtracks throughout her career.

OKTOBERFEST: Throughout the years MELINA has notice the OKTOBERFEST festival becoming one of the most popular festivals in the USA and the world. She saw the opportunity to find her own ‘niche’ and decided to form an ‘**authentic**’ Oktoberfest band and named them ‘MELINA & the Oompahs’ with her as the lead singer and MC. She hand-picked her musicians to make sure they had the talent to produce that traditional ‘Bavarian’ Oktoberfest sound with instruments like the accordion, tuba, trumpet, and drums. They have become one of the most popular Oktoberfest bands in the tri-state area and beyond. It should be noted that Melina is also ‘*one of the only FEMALE band leaders in this field*’.

‘**MELINA & the Oompahs**’ are an ‘authentic’ Oktoberfest band, based out of New York city and *specialize* in this popular Oktoberfest Entertainment and put on a ‘high energy’ Oktoberfest show with music from traditional German Oompah, Polkas and Waltzes, the well-known drinking songs to hits from the 50’s, 60’s, 70’s, 80’s, 90’s through now, as played at the original Oktoberfest in Munich, where Melina has performed as a ‘special guest singer’ and learned the ins and outs of it all. Melina has put together a program which will take you on a musical ride based on the ‘original’ Oktoberfest in Munich/Germany. She is fun and full of energy, doesn’t miss a beat and entertains in both fluent English and German. Melina is a great MC and gets the crowd going with plenty of audience participation, fun dances, sing-along songs. They keep the audience engaged and they will want to come back for more! Be it at larger to smaller venue, this Oktoberfest girl makes the audience feel they are experiencing what it’s like to be at a ‘true’ Oktoberfest. She and her Oompah band come dressed in their authentic garb made in Germany. Don’t miss it!
